FIGHT THE BITE

Protect yourself and
your community from
West Nile virus.

Mosquitoes spread West Nile virus and other diseases.

Protect Yourself

 Wear long sleeves
and pants when
outdoors.

 Use insect repellent
containing DEET.
(Follow product directions.)

Protect your Community

 Eliminate standing
water in your yard:

- old tires
- plant saucers
- bird baths
- play equipment

 Stock decorative
pools and ponds
with mosquitofish
(Call 858-694-2888 for free fish.)

 Report mosquito
breeding areas or
dead birds by calling
(858) 694-2888.
